

Be involved. Transplant hope.

Join the Be The Match Registry®.

Patients need you! For thousands with blood cancers like leukemia or other diseases like sickle cell anemia, a marrow transplant is their only hope for life. If you have diverse ancestry, patients especially need you because they are most likely to match someone who shares their heritage.

Six year old Thor is from Craven County.

He was born with Sickle Cell Anemia, he's had received 29 blood transfusions during his little life time.

Ryan, age 14 is from Clayton, NC. He loves baseball, playing video games with his friends and spending time with family and his dog Stuey.

In 2005 diagnosed with Leukemia

For a while, medications kept him in remission. His doctors state that Ryan's best option for a cure is a bone marrow transplant.

To join the Be The Match Registry, you must:

- Be between ages 18 and 44
- Be in general good health
- Willing to donate to any patient you may match in the future.

Joining is easy - Some paperwork and a cheek swab is all it takes to determine if you could be the one to save a life!

If you are unable to attend the event please join the registry online at:
