Dear Potential Sham-rockin' Sponsor:

The Rotary Club of New Bern (Noon Rotary) is again planning to host "Sham-Rockin'", a St. Patrick's Day themed event featuring Irish food, beer, music and lots of "wearin' of the green". The band, Trainwreck, will also play at the event. This year's event is scheduled on Friday, March 16th, at the North Carolina History Center. This is Noon Rotary's largest fund raising event with all proceeds going towards Rotary grants and support of nonprofit organizations in the greater New Bern area. These organizations include Boys and Girls Club of New Bern, CarolinaEast Health System Foundation, MERCI Clinic, RCS, etc.

Through the generous support of business sponsors such as yours, last year the Rotary Club of New Bern was able to net more than \$16,000 to fund grants and contributions to area nonprofit organizations. We hope that you will consider sponsoring this wonderful event. I have included the multiple sponsorship levels. Please contact me if you have any questions; my information is below. Please make all checks payable to the Rotary Club of New Bern and return the check with the completed sponsorship form I have enclosed that matches your desired sponsorship level to:

Please know that your 2018 sponsorship will enable the Rotary Club of New Bern to again present a first class St. Patrick's Day Celebration that will bring the New Bern community together in support of the important and enriching work of many of the area's nonprofit organizations.

Sincerely,
Nancy Houyoux
